In a tranquil setting on the southside close to Tank Hill Reserve sits this beautiful property occupying in excess of 1000sqm. Well maintained and freshly painted the cottage is instantly appealing and welcoming through the very alluring undercover porch, surrounded by established trees and perfect lawn. The railway sleepers, mixed with timber floors, coloured glass windows and high ceilings provides an irresistible charm and makes the home easy to fall in love with. Large and airy zones adjoin a good feel backyard, comprising a barbecue area, another entertainment area and handy garden sheds suitable for ride on mower, tools and for storage. The games room is very roomy and flows well with the rest of the home. Further highlights are veggie patches and access from the rear lane only minutes from Cape Paterson and all the beautiful beaches of Bass Coast.
