This property offers comfortable family living at its best! Larger than average main bedroom with walk in robe and ensuite, 3 other bedrooms serviced by main bathroom. The kitchen is modern and inviting, features includes stone benchtops, stainless steel appliances including dishwasher adjacent to a large dining space where family meals can be enjoyed with the largest of families! Separate living room offers ample space and comfort for those family movie get togethers. In addition, this property has been freshly painted and offers ducted heating and cooling as well as a double garage with direct access. Step outside to enjoy your undercover alfresco area and easy to maintain front and back gardens complete the picture. Located in the heart of Wollert, only a short stroll to schools, kindergartens, parklands and close to the main shopping precinct. You will be impressed once you inspect!
