Step inside this magnificent, practical single level family home! Offering an abundance of quality along with a location that see's all that Point Cook has to offer within a short distance of your front doorstep. Entertainment zones are both light-filled and intimate. The well-designed kitchen includes an island bench, a built-in pantry, stainless steel appliances, overhead cupboards and a tiled splash back. Open plan design thoughtfully incorporates the expansive living and dining zones, which flow directly through to the low maintenance rear, for further outdoor entertainment on the concrete patio. Sleeping quarters in the residence are extremely well designed and incorporate a spacious master bedroom with walk in robe and ensuite, accompanied by the second and third bedrooms, both equipped with built in wardrobes, centralised by the light-filled main bathroom. Additional features include: ducted heating, evaporative cooling, split system unit in the living room, quality fixtures and fittings, landscaped front and rear gardens and a two-car garage with workshop space, internal and external access. Situated within walking distance to Point Cook P-9 College, Stella Maris Catholic School, local shops and eateries, public transport, sporting grounds and more, this spacious family home is truly a family entertainer in a location that is next-to-none.
