If space is what you're after, then this home in Glenella has you covered. Offering two separate living areas, a spacious kitchen and dining with loads of storage and dishwasher. Four good sized carpeted air-conditioned bedrooms, with the main bedroom having the convenience of an ensuite and walk-in-robe. Two covered entertaining areas, this will be the place for family gatherings. The second entertaining area is directly opposite the pool which is great to sit and relax in the shade. Other features include Solar, two bay powered shed and a two car garage with remotes. Situated on 720m² block, fully fenced with good side access. Location is prime, family friendly estate, minutes to major shopping precincts, hospitals, restaurants and schools. This property will not last long on the market, so call now to arrange an inspection.
