Original home exudes antiquated interior design

Cherished, prized and flawlessly maintained, this characterful home is a living ode to retro charm, bursting with timber, pattern and antiquated interior design. It has been beautifully presented and retained and offers buyers an opportunity to modernise.

- Practical dual-level design offers an array of living zones
- Sunroom extends out to a low-maintenance child-friendly yard
- Spacious upstairs balcony provides a relaxed space to unwind
- Original kitchen fixed with appliances and cupboard storage
- Four deluxe bedrooms allow for a multi-generational lifestyle
- King-sized master bedroom features a large walk-in wardrobe
- Predominately tiled main bathroom features a double basin
- Adorned with original detail, room to enhance/renovate (STCA)
- Versatile and designed to meet the needs of a growing family
