This low set brick home is perfectly positioned in a quiet cul-de-sac street providing a safe family friendly environment, with reduced traffic flow and a sense of community. Upon entering the home, you will be impressed with the size and the abundance of natural light throughout. The clever floorplan with multiple living areas offers versatility and flexibility, allowing for comfortable living and optimal functionality. The second living space, study area, and main bedroom opens up to an expansive paved entertaining area that overlooks the sparkling in-ground pool. All three bedrooms have ceiling fans and air conditioning. The bathroom, though shared, is designed to meet the needs of the household with its amenities and layout and a spacious updated kitchen provides ample storage, dishwasher and loads of bench space. The large garden complete with garden shed is completely fenced with different areas both at the front and back of the home, perfect for the kids and pets to play safely. Other features include: - Split- system air-conditioning and beautiful open fireplace - Solar panels for electricity and water efficiency - Secure automatic garage and additional off street parking - Separate laundry and additional study area/home office - Fly and security screens throughout - Located within the Mansfield State School Catchment area - Conveniently positioned close to shops and transport - Carindale and Garden City Shopping Centres both close by - Currently rented for \$650 pw to quality tenants who are happy to stay on
