\$850,000 - \$890,000

Sparkling with north sun, shining with fresh style, and situated at the heart of an in-demand lifestyle village, this might just be Cheltenham's most brilliant buy! Showcasing the soaring style and sizeable space that is the signature of popular Pagewood Park Estate, this 3 bedroom, 1.5 bathroom home is filled with bright ideas; from a towering vaulted roofline for lofty living-dining, to a clever walk-through robe for master ensuite-access, to an all-weather entertaining area in the sun-soaked north-facing wraparound garden. Classic by design, immaculate in presentation and big on extras, this sizeable single-level townhouse features a quality kitchen with stainless-steel appliances (including a gas-cooktop), a huge updated bathroom plus a handy second WC, and a large laundry opening to the wraparound outdoors. Newly painted outdoor exterior, freshly floored and optioned up with a ceiling fan, built-in robes and a large lobby cloak-closet, this quality home has even more outdoors with tall hedges for privacy, broad lawns for kids and pets, and two individual garages (one with auto-entry) in addition to the group's great shared parking. Perhaps biggest and best of all are the lifestyle options offered by this uniquely well-resourced group including a pool, tennis-courts recreation room and barbecue gardens ...all adding to this lifestyle location; around the corner to Waves pool and gym, a few blocks to Cheltenham Secondary College, a walk to Southland and across the bridge to the station. For more information about this brilliant single-level home contact Amanda Morecroft at Buxton Hampton East on 0417 347 489
