This 3 bedroom 2 bathroom home offers a freshly renovated kitchen which anyone would love cooking in. There are 2 main living areas that are both heated with a 2- way combustion heater, plus the added bonus of a sunroom that has an abundance of natural light. The second bathroom has been upgraded recently along with the laundry . The home is surrounded by trees and the flat garden that gives a very spacious feel .There is a carport plus parking in the drive for at least another 2 or 3 cars.*Just as a note, there is another living area and study which will be locked and for landlords use only .This will be used to store furniture . This does not interrupt the flow of the house, and there is still plenty of living area .No Pets
