This one has to be seen up close to be believed! If you are a large family, be it blended or have been looking for a property with room for the in-laws or extended family, well look no more, this property has a totally separate wing that can fit its own small family! This layout will serve a multitude of uses depending on your family's needs and is in immaculate condition. With the current owners making the inevitable decision to downsize, the time has come to sell their much-loved family home, so do not delay. All offers are being invited immediately.

The Property- Immaculate home with approx. 343m² total area under roof- Generous 1,017m² block fully fenced with double gate side access- Clever layout incorporates separate granny flat with its own lounge, two bedrooms, study, & bathroom all under the main roof line- Main bathroom & kitchen completely renovated in 2015- Kitchen boasts stone benchtops, servery bench, induction cooking, and extra convection oven- Detached double garage with plenty of storage- Large shade sail extends over the double driveway, perfect for guests or teenager's cars to park off-street under cover- All bedrooms feature built-ins and air-conditioning- On top of the home's 5 bedrooms, there are two separate studies perfect for the kids or those who work from home- Sprawling outdoor entertainment space overlooking the huge in-ground concrete pool- Gazebo situated inside the pool enclosure provides another space to entertain and relax- 5KW solar system- Immaculate lawns and manicured gardens- All offers invited immediately

The Location- Walking distance to Annandale Central Shopping Centre - Close proximity to James Cook University - Close proximity to The Townsville University Hospital - A short drive to Lavarack Barracks - Walking distance to parks and playgrounds- Walking distance to public transport links- Walking distance to quality primary and high schools
