"Living in this property has been a memorable experience filled with beautiful moments spent outdoors and in the pool. The open outlook onto the gum trees is so relaxing and something I will truly miss. It has been a place that makes me feel very relaxed with its calm colour, grand space, and high-pitched ceilings. My favourite part of this home is the seamless connection between the indoor and outdoor spaces. From inside, I can enjoy the stunning view of the surrounding trees and the sky, and the kitchen opens up to the alfresco area. Not to mention, I absolutely love my oversized kitchen." -
