This yet to be constructed house and land package will be snapped up fast. The huge corner block in the premium "The Entrance" estate is about to be titled. The house used in the package is massive and the quote includes everything you need...Footings, flooring, stormwater, soil removal, ducted reverse cycle air-conditioning. The bathrooms and kitchen are all upgraded and I have included some extra credit for further upgrades at selections. Be quick, land supply in the north is limited and this opportunity will go this weekend. Come see Daniel Stone at the Fairmont Signature display home at the Entrance this weekend.
