Celebrating the many lifestyle benefits of a private and easy-to-manage allotment, this elegant three bedroom, three ensuite residence offers an exciting opportunity for young families or empty nesters keen to live in this blue-ribbon locale. Zoned for highly sought-after Serpell Primary School and near St Charles Borromeo Primary School, this desirable hideaway features a peaceful lounge room and an open-plan dining/family room that extends out via double sliding doors to an under-cover alfresco. Draped in stone, the kitchen is designed with an island and is fitted with Bosch and Fisher & Paykel appliances. With a cosy upstairs retreat/study alcove, a powder room, ducted heating, split system air-conditioners, security and internal access to the double auto garage, this is a low-maintenance dream.
