Originally owned by the renowned Denmark artist Alexander Hills, this 14 acre lifestyle lovers home rests below the 'chin' of Monkey Rock midway between Denmark's iconic Ocean and Lights beaches. Surrounded in karri, sheoak and hand-picked stone wall gardens, there's the original 'Hansel & Gretel' artist's studio and the 2-storey main residence consisting of 3 bedrooms, 2 bathrooms and 3 WCs. Find a beautifully appointed country kitchen, Tassie oak floors, a formal lounge with stone fireplace, 'living' windows and balconies north and south. Meander the gardens and walk trails to see the ocean. Your heart and soul will be at home here... It's very special. From \$1,050,000.
