\$990,000 - \$1,080,00 (Entry via Cloyne St)

ENTRY VIA CLOYNE STREETStep behind these high garden fences and find your highly-accommodating, low-maintenance garden sanctuary. Corner-sited with pedestrian access and two-car parking from Cloyne St, this four bedroom plus home-office, two bathroom home is an entertainer's oasis in easy care grounds. Ready to welcome with defined room to lounge and dine around a European appliance kitchen with stone-topped island bench, this single-level sanctuary has a place to fire up the BBQ in all-day north sun in a large lushly-hedged paved courtyard, and the perfect spot to keep kids and pets safely entertained in a well-secured lawned garden. Adaptably accommodating with robe-fitted double bedrooms including a large fourth perfect to double as playspace, media-room or retreat, this sizeable single-level home is styled with a well-fitted home-office, sleek bathrooms (including a designer dual-vanity main), and quality extras including solid hardwood floors, reverse-cycle air-conditioning and an alarm. Wrapped by groomed private grounds and acoustically engineered with sound-resistant glazing and brick construction, this garden oasis is in a world of its own...yet surprisingly close to it all ...close proximity to the supermarket, one block to Eddie Reserve, a walk to cafes, bakeries and breweries, and just a minute to Southland and Highett Rd (and their stations!). For more information about this corner oasis contact Craig Harrison at Buxton Hampton East on 0459 991 120
