It's an absolute privilege to offer this outstanding property to the market. After 87 years of family ownership; this 160 acre farm is truly unique, with the coast literally at its doorstep. The property is just 20 minutes drive from Denmark, and is an iconic property that has been admired by generations of not only holiday makers heading to Parry Beach, but by locals alike. From the productive flats along Parry Rd, the farm rises to scenic coastal hills dotted with Peppermint trees, and even takes in some Karri forest in a secluded part of the property. Water is in abundance, with a creek and many watering points for stock. Capable of running around 50 breeders comfortably, the farm is fully fenced with plain wire, with other improvements being a refurbished hay/machinery shed, timber cattle yards, and of course the beautiful old limestone built homestead. If you're looking to secure one of the most impressive pieces of real estate on the south coast of WA - this is it. Private inspections can be arranged by contacting Andrew Barrow on 0409081075.
