With a sublime north-facing leafy aspect, secure parking, outstanding proportions, and extraordinary outdoor areas, this executive three-bedroom residence delivers calm, single-level contemporary living right in the heart of Toorak Village. Peacefully and privately set back from the main street with a broad terraced garden ensuring a welcomed connection to the outdoors, a superbly appointed interior enjoys smart distinction between entertaining and quiet bedroom domains, with considerable open-plan living and dining zones served by a sleek, granite kitchen with European appliances. Built-in robes, a sky-lit bathroom and a master ensuite complement a pair of generous bedrooms, while a spacious home office offers flexibility as a third bedroom if desired. Wonderfully bright and endlessly practical, other highlights include ducted heating/cooling, video intercom, laundry, and a secure single garage with internal access plus further off-street parking for a second car. A carefree entry into a coveted locale, mere steps from Toorak Village's trams, shops, supermarket and dining options, moments from prestige schooling and a short walk to Como Park and Yarra River Trails.
