If you've been searching for that perfect block on which to build your dream home, then 29A Lowther Street is the end of your search. Level, fully fenced, cleared and with mature trees at the front, this 2,529 sqm (0.6 acre) block enjoys sealed road frontage. All town services are available and with its coveted General Residential zoning, this is an ideal offering on which to build not only your dream home, but a lifestyle to be envied. Maldon's Golf Course and stunning hiking trails including the picturesque hike to the Rock of Ages are all within strolling distance while this vibrant and historic town's shopping and café strip, primary school, day care centre and sporting facilities are all within easy walking distance. Demand for vacant land has seen availability diminish. Blocks of this size - in town - are even more elusive. Create your new home and make your lifestyle dream come true.
