Nestled within the historic charm of Berwick, 29a Miller Street is a semi-detached gem that exudes sophistication, making it an impeccable choice for discerning families or astute investors, with everything all ready done there is nothing left to do but walk in and start your life. This three-bedroom, two-bathroom residence boasts a land size of 413 square metres and offers a rare combination of Victorian elegance and French provincial finesse. From the moment you ascend the Travertine steps, you are greeted by a home that radiates exclusivity with its solid timber flooring, ornate gutter cornices, expansive floor-to-ceiling windows and comfort all year round with ducted heating and split system cooling. The heart of the home is the designer kitchen, featuring top-of-the-line Perrin & Rowe Nickel tapware, a Zip tap for instant sparkling and chilled water, commercial grade gas supply, and premium Miele appliances, including integrated refrigeration and dishwashing solutions. The Falcon Dual fuel range is a chef's delight, ensuring that culinary creations are always on the menu. Accommodation comprises a sumptuous master suite with a custom-fitted walk-in robe and an ensuite that mirrors the elegance of the finest spas. Two additional oversized bedrooms, one currently utilised as a study with bespoke cabinetry, ensure ample space for the entire family. Entertaining is effortless with the family room's soaring ceilings and built-in entertainment unit, opening onto a decked alfresco area complete with café blinds, a built-in Weber BBQ, and refrigeration. Whether it's a quiet family meal or a grand soirée, this home caters to all occasions with grace and style. The stunning courtyard garden, a friend to bees and butterflies makes you feel like you are in your own private oasis. With double garage and off-street parking for two vehicles, this Berwick sanctuary combines luxury living with convenience, awaiting those who demand the very best.
