Best Offers By 12pm Tuesday 23rd January 2024 (Unless Sold Prior) A splendid synergy of contemporary styling, creature comforts and enviable schooling opportunities with a Torrens titled status to boot, this 2018-built townhouse salutes the simple joys of coastal living without skimping on the finer details. Its modern facade is a visual candy for the discerning eye, radiating curb appeal from its prized south-north parcel, just steps from - and zoned for - the highly sought-after Brighton Secondary School. Within, high ceilings emphasise the sense of light and airiness permeating the open-plan family room of a home that places all three bedrooms on its spacious upper level. Timber-look floors provide a touch of warmth, contrasting beautifully with the sleekness of the home's neutral colour palette and starring open-plan kitchen with stone benchtops, Smeg stainless steel appliances and breakfast bar. The master's ensuite adds another layer of luxury to this ducted temperature controlled home with a double garage to go with its abundant storage and a rear pavilion that gently persuades the elements into a serene waltz - and your guests to most likely outstay their welcome. With a short 15-minute walk, you can easily find yourself beachside, while a brief car ride will take you to Westfield Marion, summer-loving Glenelg or Adelaide's festival-centric CBD, offering endless possibilities for work and play, whether night or day, winter or summer. Get ready to start living.
