Expressions of Interest Closing 29th Feb 5.00pm

Set behind a striking façade, this contemporary standout delivers cutting edge design and free flowing luxury in a coveted and convenient inner city locale. Towering ceilings make an unforgettable impression, with a captivating palette of tones and textures complemented by clever intricacies and sublime sunlight. Served by a stylish bathroom, a bright guest room enjoys windows on three sides, while extensive robes and a refreshingly open ensuite accompany a vast main bedroom. Smartly set under broad skylights, a sizeable landing makes for an ideal home workstation, while expansive ground floor living and dining areas blend with a covered and delightfully private backyard. Underpinning the home's entertainment prowess, a superb kitchen boasts first class Miele, Liebherr, Fisher & Paykel appliances, while further highlights include engineered oak floors, reverse cycle heating/cooling, NBN, a combined laundry/powder room, study nook to main section, and remote controlled garage. An easy tram, train, or bicycle ride to the city centre, it's mere steps from Bridge Road's vibrant cafés, restaurants, bars, and boutiques, along with respected schools, Citizens Park, and the MCG.
