Ideally located in a quiet, very convenient cul-de-sac and a short walk to the Dianella Plaza which offers major grocery stores and boutique shopping. Dianella Open Space, Mount Lawley Golf Course, Stirling Leisure Centre and Galleria Shopping Centre are all less than a 10 minute drive away. Public transport is easily accessible and can take you straight into the Perth City Centre. This beautifully presented Tuscan style two storey home is deceptively spacious offering an alarm system, split system air conditioning, three double bedrooms and more than adequate storage. The stunning alfresco area is beautifully appointed off the main living area/kitchen and features adjustable louvers on the roof for entertaining in all seasons. An added bonus is the double car garage and driveway with enough room for three further vehicles. This is a rare find, in such great condition in this desirable location. There are so many features offered with this home, please call Donna Whitehead on 0447 999 907 or email donna.whitehead@harcourts.com.au to arrange a viewing to fully appreciate this special property.
