\$798,000

A haven in the heart of a vibrant locale, this impeccable three bedroom contemporary home features stylish spaces and a serene private courtyard. Beyond a smart façade, the enticing home opens to reveal a relaxing living room, before flowing to a kitchen, meals and family zone boasting Bosch appliances and stone countertops. Picturesque, the largely paved, leafy and easily maintained courtyard beckons for entertaining and unwinding. Three double bedrooms with built-in robes include an exceptionally large main bedroom, complete with balcony. Sparkling and central, the bathroom hosts a shower and separate bath, while a powder room, great storage, heating/air conditioning, electric shutters, double glazing to key rooms, polished floorboards and secure garage parking add the right finishing touches. So close to #58 trams, shops and popular O'Heas Bakery, it's in the Strathmore College zone and finds primary schools, including Coburg North Primary, parks and CityLink within easy reach. Please note: there is no Body Corporate.
