This extremely well appointed townhouse with no expenses spared will take your breathe away as soon as you step inside. Custom built and only 2 years old, this thoughtfully designed townhouse oozes quality throughout. The open plan living is at the back of the home. It offers privacy as it looks out onto an extensive outdoor area, complete with a free standing spa bath. The kitchen boasts 900mm electric appliances, induction cooktop, dishwasher, stone benchtops and WI pantry. This overlooks the dining and lounge room with a wood heater for the cold winter evenings. The main bedroom is located off the back living area, it comprises a ceiling fan, WIR, ensuite with a double shower, toilet and vanity unit. The bathrooms have underfloor heating to keep the tootsie's warm on those fresh mornings. The two remaining bedrooms have BIR's, the front has a built in desk and bed and the second room has a ceiling fan. The main bathroom is tiled and features a bath, double shower, with a separate toilet. The laundry is accessible through the double garage and has plenty of bench space, plus the home has a large linen cupboard. The townhouse has a ducted reverse cycle unit providing comfort all year round.
