Modern, stylish and situated a short stroll from golden beaches and the village, your dream lifestyle starts here with this superb seaside sanctuary. Occupying approximately 348m² and secluded to the rear of only two, this standalone three-bedroom, two living zone beauty is pure bliss for those seeking single level ease with superior space and convenience, complete with your own title and no active owner's corporation. Immerse yourself in coastal inspired style while you enjoy the luxury of two separate living zones, including a front formal lounge room, together with a bright and light open plan family living area flowing to an alfresco entertaining deck. At this gorgeous home's heart, you'll find a gleaming modern Blanco kitchen with a 900mm oven, dishwasher, stone surfaces and breakfast bench for casual meals. You'll love the outdoor shower to rinse off the sand, while the backyard is supersized and sunny with lush lawn, a garden shed and citrus trees. The serene main bedroom spoils you with an ensuite and walk-in robe, while the remaining two robed bedrooms share the family-sized bathroom with separate shower and bath. Flawlessly finished with premium hybrid timber toned flooring, Stegbar fitted wardrobes, new blinds, split systems, keyless entry, a security system, oversized single remote garage and additional off-street parking for two cars. However, it's the prized central location that's hard to surpass with Seaford Village's popular eateries, schools, reserves and public transport in mere meters, along with the sandy foreshore, iconic pier and walking trails.
