Immaculately presented 2 bedroom home with Study on a standalone block and offering a solid foundation for some modern updates, the street-fronted home features an open-plan living and dining zone with views out to the north-facing patio and garden. The neat kitchen has been well maintained and is highlighted by plantation shutters and a Bosch dishwasher whilst the adjacent study offers a very practical built-in desk.Fitted wardrobes are offered in the two spacious bedrooms which share the central bathroom with a convenient separate WC - Rounding off the home are a laundry with yard access, ducted heating, and an air conditioner plus a large double garage and secure entry with additional parking.A great start in a simply brilliant location that will appeal to many, thanks to proximity to bus stops, cafes & the primary school, this is also an ideal value-add proposition for investors or an accessible empty nest that is literally metres to healthcare. Zoned for Beaumaris Secondary College.
