PERFECT CHANCE FOR INVESTMENT OR YOUR HOLIDAY DREAM HOME. This is the perfect home for the family wanting to have relatives close by or even living under the same roof. The property next door is on the market also taking over the full corner of Ridge and Lackey Street in the beautiful Nambucca Heads. Are you looking for somewhere that family can buy and all be together, well this is that perfect opportunity. The property is located on the roads leading to the lookout known as Shelly headland and is opposite the lookouts that have stunning views of the beautiful Nambucca River Estuary and down south to the ocean and beaches of the Mid North Coast of New South Wales. The property is brick and tiled and consists of 4 bedrooms, two upstairs and two downstairs. The lounge /dining has an open floor plan and well-appointed kitchen with ample cupboard space. The bedrooms are carpeted and spacious. There were two garages but one has been converted into an extra bedroom downstairs. There is a side deck that has water views and covered carport at the rear of the property. The home has room for a caravan, trailers, boats etc. Similar to the property next door, also on the market, holiday letting or keeping as an investment property is definitely a gold mine. The property is currently rented with an excellent tenant. Both properties are owned by the same family, and they have utilised both properties to the best investment opportunity possible... Living and holidaying in one and renting out the other. Being only 35 minutes to the popular tourist destination of Coffs Harbor and 55 minutes to Port Macquarie. Flights come and go from these airports daily, travelling to Brisbane, Sydney & Melbourne within 1 to 1 1/2 hours. Holiday and Investment at the same time is a fantastic way to go, if you work in the hassle and bustle of the big cities with this property you can escape to the country and have the best of both world...
