\$990,000-\$1,080,000

A true family home, this contemporary four bedroom, three bathroom residence features luxurious design, a northerly entertainer's courtyard and quality inclusions. Zoned to Strathmore College and with no owner's corporation, the gleaming abode hosts expansive open family and dining spaces flowing through a wide glass aspect to the smartly paved courtyard. Linked by waterfall stone breakfast bar to the dining zone, the gourmet kitchen highlights 900mm appliances encompassing a fan forced oven and induction cooktop. Each of the four double bedrooms offers built-in robes, while fully tiled bathrooms include an ensuite. Solar panels, heating/air conditioning, security features, outstanding storage, an individual driveway and direct entry automatic garage broaden appeal. Transport, Raeburn Reserve, schools and Coburg North Village are within moments.
