A brilliant design for a low maintenance family living, this light filled four bedroom two bathroom freestanding home finds a way to enjoy all the finest contemporary elements within a compact block. An aptitude for the northern sun latitude through plantation shutters, this distinct home reveals a beautiful open plan living and dining area with floating entertainment joinery, a sublime white kitchen with Ilve appliances including 900 mm stove, a prized downstairs main bedroom with lengthy walk in robe to the sparkling ensuite, a fitted laundry/extended pantry and a powder room. A lovely alfresco deck sits alongside the barbeque, as a crazy paved alfresco pocket doubles as a third parking space via the drive through double garage. Upstairs has the all important second living area (city glimpses), three further sizeable bedrooms (two with built in robes, one with walk in robe) and a fully appointed bathroom. Easy care and allergy friendly with timber floors on both levels, this quality home is appointed with quality blinds, zoned ducted heating/cooling, ducted vacuum, great storage, a rainwater tank and a double auto garage. In the celebrated McKinnon Secondary College zone and walking distance to the main campus, close to Centre Road shopping and dining, the train station, bus services and a wonderful choice of parks for picnics and play time with the dogs.
