Comfort, Ease, Convenience

One of only two homes on the block, this well-designed two bedroom unit features an open plan layout where great natural light and ceiling height add an excellent sense of space. Easy to live in or rent out, seconds to local shops, transport and schools, it's close to parkland, Campbellfield Plaza and Ring Road access. Presenting a kitchen/meals/living, with stainless steel appliances, and wraparound courtyard hosting a covered alfresco dining area, it's a home with liberatingly low maintenance needs. Bedrooms each come with a BIR or WIR, the central bathroom presents a walk-in shower and separate bath, plus there's a full laundry, ducted heating, split system air conditioner and garage. Make it yours and invest or nest to appreciate the appeal.
