Ideally situated just a brief ten-minute stroll from Castle Towers and Castle Hill metro station, this expansive residence presents a versatile floorplan tailored to accommodate multi-generational family living. Spanning over two sun-drenched levels, the flexible layout boasts multiple living zones perfect for entertaining. An oversized family and dining zone on the upper level has access to the front balcony, offering an ideal space to relax with family and friends. The well-equipped kitchen features ample bench space, plenty of storage, modern cooking appliances and views to the rear yard. Glass sliders from the meals zone open to a covered decking ideal for alfresco dining while enjoying views to the generous backyard. Four bedrooms with built-in wardrobes, including the master suite, are set on the upper level of the home. An additional two bedrooms on the lower level are positioned in close proximity to a full bathroom, offering potential as in-law or guest accommodation. Enhanced by charming features such as vaulted ceilings and large windows that flood the interiors with natural light, this distinctive property offers ample space to accommodate the needs and preferences of large families. • Landscaped 698 sqm parcel with easy-care gardens • Open living spaces, family room, home office with external access, study • High ceilings, fireplace, timber flooring, plenty of storage • Generous four car garage, near North-to-rear aspect • Zoned for Castle Hill Public School and Castle Hill High School We have obtained all information in this document from sources we believe to be reliable; however, we cannot guarantee its accuracy.
