Situated in a convenient location of Frankston is this stylish and ultra-modern two-story townhouse. It boasts three spacious bedrooms with built-in robes and an ensuite to the master and two living spaces – one being upstairs and the other being downstairs as part of the open concept floor plan. Downstairs offers flexibility with the open floor plan opening to a private decked area that's great for entertaining. Upstairs, you'll also find a balcony off the second living zone, great for watching those future sunsets! The home also offers plenty of natural light, high ceilings and the quality appointments you come to expect from this type of home. In addition to this, the property also boasts:– Stainless steel appliances to kitchen.– Split system heating and cooling both upstairs and downstairs.– Timber floors throughout.– European-style laundry with storage.– Internal access from the remote garage.– Remote front gate– Easy to maintain front yard. This functional and well-designed home is perfectly positioned in a pocket that gives you easy access to the Frankston train station, Bayside Shopping Centre, restaurants, cafes and the beach. It also provides easy access to the Frankston Freeway when you need to travel.
