Step into this immaculate three bedroom townhouse, sprawled over two flexible floors. Minutes to the iconic Sydney Road. Set in a low-density allotment, it boasts exclusive street frontage paired with a spacious and flowing floor plan. The lounge offers a domain where you can put your feet up, while the functional kitchen/meals zone is equipped with a gas cooktop, electric oven, plus great use of cabinetry. Add to this, a sunny backyard that presents low-maintenance upkeep and the perfect place for outdoor entertaining. Upstairs showcases spacious bedrooms fitted with built-in-robos, while they flank the central bathroom which boasts a separate shower and bath. Adding to the functionality is a stand alone toilet. Features include split systems, full-size laundry, powder room, under-stair storage and remote-controlled garage. Conveniently located within walking distance to Anstey Station, multiple tram routes, urban parkland, popular eateries/wine bars, trendy shops and quick access to excellent educational opportunities.
