First impressions are everything, and as you enter this peaceful family home, you'll be greeted by the sun's gleaming rays streaming through banks of north-facing glazing, illuminating every corner. Refined and elegant, the inviting lounge sits open with the spacious dining room. On one side, natural light fills the family-sized kitchen, while on the other, a door opens out to a north terrace, lush-green lawn and an attractive, easy-to-manage garden. These garden views provide a delightful backdrop to the rear sitting room; the perfect place to relax after a long day. Upstairs, the luminous experience continues into the four bedrooms and two bathrooms, including the master bedroom with a walk-in robe and ensuite. In addition, there's a powder room, excellent storage, ducted heating, evaporative cooling, ducted vacuum, security and internal access to the double auto garage. Enjoy the easy walk to mouth-watering eateries, Hislop Reserve, Macleay Park, Boroondara Sports Complex and locally-zoned Balwyn High School and Balwyn North Primary School. Catch the nearby bus to Kew's famed private schools, the city, Westfield Doncaster and Box Hill Central.
