Perfectly appointed townhouses don't get much better than this. First home buyers and investors alike will delight in the elevated ceilings, abundant natural light, beautiful timber-look laminate flooring and carefully considered layout on offer at this double storey home. On the ground floor, a generous master suite features a private ensuite and a large walk-in robe, while the open-plan kitchen, living, and dining zone showcases all the modern comforts. A stone-look island benchtop, dishwasher, quality oven and gas cooktop all combine to offer easy living in a pristine setting. Bathed in natural light, this zone is the heart of the home and rests adjacent a sprawling private outdoor area perfect for pets and children to enjoy, with the added convenience of a garden shed for storage. Downstairs convenience is enhanced by internal access to the double car remote garage and a separate powder room, along with generously sized under-stair storage opportunities. Upstairs, two bedrooms with built-in robes are accompanied by a versatile sitting room or work-from-home space, while a second bathroom, with a standalone bath and separate toilet complete the picture. Ducted heating and cooling, double blackout roller blinds, and the tranquillity of a quiet, well-maintained streetscape all further add to this home's appeal. Situated on the outskirts of Officer's esteemed Timbertop Estate, you'll find The High Horse Cafe, Orchard Park Primary School, amenities, and generous parklands all within easy reach. Freeway access is just minutes away and neighbouring Beaconsfield town centre makes this the perfect home in a prime pocket on the North side. Don't miss the opportunity to make this stylish townhouse your own. Photo I.D required at all open inspections.
