## **\$650k Ocean View Seclusion !**

\* Stunning Ocean + Dunk Island Views\* Cleared building envelope in privacy\* Shared concrete driveway for easy access\* Underground power to building site What a unique find opposite the newly opened 5 star Elandra Resort at beautiful South Mission Beach !Set in complete privacy, this hilltop hidden gem is just over 6000m2 in size with stunning ocean and framed views of Dunk Island. Access is a breeze with a shared concrete driveway leading all the way up to the block. With a cleared driveway entrance and building pad already in place, it's ready for you to build your weekender or dream home. There's no building covenants or body corporate set-up here, and at the base of the property underground power is already in place.A wonderful blend of privacy, seclusion, tropical rain forest, ocean and island views and for a fraction of the price compared to similar properties currently on the market - A must see !Marketed exclusively by Tania @ Tropical PropertyProperty Code: 2774
