A residence that provides modern, family oriented spaces over two alluring levels, each clearly defined by a dedication to quality, this sophisticated home creates a superb first impression and leaves a lasting impact. A design that intelligently offers multiple zones includes a superb main living/dining domain leading to an outdoor backdrop featuring elegant decking and an integrated barbeque area. The open-plan kitchen's stone bench-tops, soft closing drawers and walk-in pantry reflect the effortlessness with which this residence meets every modern need. A fourth bedroom or study adds downstairs flexibility to three luxurious further bedrooms and two fabulous fully-tiled bathrooms, including the main bedroom's superb ensuite. A central retreat completes a brilliant property, accompanied by ducted heating/cooling, double glazing, high ceilings, a downstairs laundry and powder room. Alarm, sprinkler system, secure garage plus extra parking are ideal further assets, moments from Newport Lakes Reserve, Mason Street village and Newport station.
