Dreaming of waking up to an ocean view or a short stroll to the beach for that invigorating morning dip? this could well be the property for you. In this captivating home, open your eyes in the morning to reveal a beautiful blue view of the ocean all the way down to Broken Head. This private and spacious home sits nestled on the hill at Pacific Vista just a brief distance to town. The home sits across three separate levels and boasts 3 large bedrooms and 3 generous bathrooms. The main open plan level is a modern living style floorplan with kitchen as centrepiece amongst cosy entertaining areas and garden decks with views. Upstairs features a master retreat with walk-in robe, large ensuite and elevated bedroom positioned to capture the most of the alluring views of the ocean spanning around to the green ridge line of Coopers Shoot. Downstairs a self-contained room is completely separate from the main home for guests, family or a great teenage retreat. The house is surrounded by a low maintenance lush green garden set on a generous 884m<sup>2</sup>. DA approval for a pool. Grab your coffee or tea and a towel then stroll down to the uncrowded pristine sandy beach.
