\$596,000 to \$655,000

This superbly built townhouse features a clever floor plan that maximizes space. The property is in great condition and comprises of an entrance hallway, two generous size bedrooms both with large built-in robes and a large two-way bathroom plus separate powder room. The home offers ducted heating and evaporative air conditioning, features new blinds, security system and security lighting. The main open kitchen, meals and living room provides an inviting space that is the centre piece of the home. The private townhouse enjoys a secure front courtyard, a timber decked outdoor entertaining area that opens off the main living and there is an extra-long single garage that is accessed from Regent Street. This low maintenance property is ideally suited to a retiree, first home buyer, investor or it would make an ideal holiday home. A quality well-appointed home in a great location, close to central Moama. This is easy living at its best! Call today.
