\$522,000

If location is important to you, this neat townhouse will be hard to beat. The smart design enables living on one level, with the master bedroom & bathroom on the ground floor, along with the comfortable living areas. Upstairs, two bedrooms and a powder room are ideal for guests or extended family. • The well-appointed kitchen overlooks the dining and lounge area. • Three bedrooms with built-in robes. • Sunny, north facing garden courtyard, and a balcony off the second bedroom. • Lock-up garage with internal access. • Super convenient inner city location. This is a fantastic opportunity to enter the market for a first homebuyer, or the estimated rental for an investor is \$500.00 per week. Rates: \$2,706.00pa / Strata: \$540.00pqr
