Downsize or Invest, whatever your criteria this unit is an appealing option. Units in the township of Camperdown are always thin on the ground, and when they hit the market always prove popular. 3/1 Ower St is no exception, with the full complement of features required for convenient and carefree living. A welcoming hallway invites you into your new home, flowing onto a functional kitchen that opens onto the living area which is light and bright thanks to its north-facing aspect. Both bedrooms feature built-in robes with plenty of room for a double bed, and both have easy access to the bathroom. A separate laundry area provides secondary external access and opens onto an enclosed backyard, big enough for your much-loved pet. The single garage provides great undercover parking with enough space spared for a small workshop. Convenient location is always favourable for unit living, and this is just the case here thanks to its short walking distance to the supermarket, shopping precinct and especially the train station. As mentioned units don't stay on the market for long, contact us today to arrange a private inspection or attend one of our scheduled open homes. Act quickly to make it your own!
