Lot 3/1 Saint Michaels Parkway Dunsborough. Vacant survey strata of 219sqm in a classy and established complex where quality homes are the order of proceedings. As a downsize, both the view and location deliver on all fronts, and the passive security from being in a secluded complex make this an attractive proposition. Access to an established and large lawned and landscaped park and close proximity to the planned playing fields, further emphasise the quality of the location. For a custom-built home, few opportunities exist which are as good as this.
