Step into an oasis of modern luxury and refined elegance with this architecturally designed townhouse completed in 2023. As you enter, a symphony of contemporary design and timeless sophistication greets you, setting the stage for an exceptional living experience. This impeccably crafted residence unveils a graceful interplay of architectural artistry and functionality, boasting three bedrooms, two bathrooms, and a double-car garage. Enhancing its eco-friendliness, solar panels adorn the property, marking a thoughtful step towards sustainability. The heart of this stunning abode is the thoughtfully designed interior featuring stone kitchen benches, a masterpiece marrying aesthetics with practicality. Every detail, from the fixtures to the finishes, has been meticulously chosen to create an environment of opulence and comfort. Nestled in The Junction, one of Newcastle's most coveted locales, this new townhouse sets the stage for an exclusive beachside lifestyle. Just moments away from the sun-kissed beaches, this home offers unparalleled convenience for those seeking the quintessential coastal living experience. - ASKO Appliances - YDL Quartz Stone Bench tops - Solar Panels 4KW - Hot Water Heat Pump Stiebel Eltron WWK 222H Domestic Series - 3m Ceilings What's Local Coffee | Talulah, Lotus Corner, Doughheads Eat | Don Beppino's, Birdie, Habesha Drink | Modus, The Prince of Merewether, The Junction Hotel Wellness | Merewether Fitness Studio, Coastline Yoga It happens when you've found the one.
