Lavish finishes, bespoke design and expansive proportions are the defining characteristics of this brand new luxury residence. Featuring an abundance of marble, the sublime gourmet kitchen is appointed with premium V-Zug appliances and butler's pantry /laundry. Two sets of glass sliders open the living space to a large deck overlooking the lush garden. A gorgeous bedroom with robes and chic en suite and a fitted study nook are conveniently situated downstairs while upstairs there is the beautiful main bedroom with designer en suite and opulent walk in robe, two additional bedrooms with robes and a stunning bathroom. Comprehensively finished with keypad entry, ducted heating/cooling, powder-room, double glazing, garden shed, water tank and internally accessed double garage. Land Size: 330sqm approx.
