Balancing the beauty of a modern layout with streamlined indoor-outdoor entertaining, as well as a spectacular placement in the heart Preston, this sun-kissed residence sits on the ground floor of an established boutique complex. Contemporary style infuses at every corner of this delightful apartment and showcases the sleek attributes of a chef's kitchen displaying ample countertops, under bench stainless steel oven, gas stove and integrated dishwasher. The smooth ambience of the living and dining zone flows over engineered floorboards and spills out through retractable sliding doors onto a fabulous deck where you can relax whilst soaking up garden aspects. Blessed with multiple built in robes and with the continuation of engineered floorboards, the master bedroom is a good size with a dedicated study nook alongside a central bathroom that's also a showcase of modern style. Adding to this enticing package is the benefits of split system heating/cooling, euro laundry plus a rear car space where you can leave your car while you wander to the connecting parklands, Northland Shopping Centre, local eateries and numerous local amenities.
