Perfectly placed on the ground floor of Clarke Hopkins Clarke's acclaimed 'Alexa Park Residences', this stylish standout offers contemporary calm and exceptional quality seconds from parks, cafés, and city-bound transport. A clever interior enjoys a relaxed and refined atmosphere, with an expansive living/dining domain and generous bedroom brightened by full-height windows and towering ceilings. Met with seamless flow, an oversized courtyard affords ample room to unwind or entertain, while a first-class kitchen boasts natural stone benches and splashbacks, an AEG oven and gas top and Fisher & Paykel DishDrawer, and integration for refrigerator/freezer. With a rain shower to an in-vogue bathroom, further highlights include rose gold tapware throughout, a fitted study desk, mirrored robes, French oak floors, ducted heating/cooling, NBN, a European laundry, video intercom, secure garage space, and storage cage. With private rear access to the peaceful expanses of Allison Park, the revered complex sits metres from Flinders Street-bound 59 trams, Glenbervie Station, and the effervescent shops, cafés, and restaurants of North Essendon and Rose Street Villages, with Essendon DFO and CityLink just moments away.
