\$787,500

This north facing second floor apartment highlights the convenience of town and beachside living in Kiama. Renovated throughout, the apartment is a standout amongst others. Comprising two bedrooms both with built-in wardrobes, an open plan living and dining area, and two sun-drenched balconies, separate garage, and laundry. The apartment includes furniture (as seen in photography), and is ready to use as a weekender, holiday accommodation, or permanent stay. Major highlights include easy walking access to Kiama's township and its beaches. Access through to Surf Beach, which is only 100 meter walk away, then on to Kiama's cafes, restaurants, shops and transport. A beautifully renovated apartment in central Kiama is a rare find.
