This top level 2 bedroom, 2 bathroom apartment directly opposite Lorne's main beach is the epitome of beachside holiday living. Once your vehicle is parked in the building's car stacker you will not need it again unless you decide to tour the sights along the Great Ocean Road or the hinterland. Everything from ice cream and great restaurants to sand and sea is right there on your doorstep. Of course, this will require you to get out of your comfortable temperature controlled abode and tear yourself away from the ever changing dramatic outlook.
