Reflective of a modern lifestyle, this stylish and spacious dual storey haven is a classy contemporary offering perfectly placed back in a picturesque multi-dwelling complex close to all you could ever need. Step inside to quality timber floors which flow throughout a light-filled semi-formal lounge with plenty of room for the furniture and split-system heating/cooling for comfort. Exquisitely finished with stone benches, stainless steel appliances, a glass splash back and plenty of built-in storage, the kitchen is a real highlight, also enjoying the luxury of an adjoining meals space. A laundry and separate powder room provide added convenience on this level before you head upstairs to two bedrooms with robes that are separated by a matching modern bathroom with shower, separate bath and sleek floor-to-ceiling tiles. A low-maintenance courtyard with room to entertain and a double garage with rear access and a storage room further contributed to a property with nothing to do but purchase and prosper. Within walking distance to Box Hill Hospital and specialty rooms, Box Hill High School, Box Hill Tafe, Box Hill Centro Shopping Centre, Box Hill Station, local bus stops, Whitehorse Road trams, Box Hill Athletics Club and a close to a number of picturesque parks and playgrounds, with great connection to Whitehorse Rd, Middleborough Rd, Station St, Elgar Rd, Canterbury Rd and the Melbourne CBD via the Eastern Freeway.
