This magnificent villa unit is a showcase of style and quality set to a backdrop of spacious, manageable gardens. Boasting a beautiful French provincial-inspired interior and a perfect position adjacent to Bruce Comben Reserve, Skeleton Creek, and Bayside bicycle track, this enviable residence offers a relaxed yet refined lifestyle. Upon entry into this single-storey home it is clear you have arrived someplace special. Attention to detail is showcased beginning in the lounge with custom moulding and new luxury vinyl plank flooring that flows throughout. The open plan dining area with ornate chandelier and kitchen with new rangehood, freestanding oven, timber benchtops, and access to the alfresco will be the ideal place to host family and friends. For complete comfort, there are also 2 generous bedrooms provided. Each are adorned with built-in robes while the shared bathroom features a soaking tub, tumbled subway tiles, and separate WC. With a long list of supplementary features including quality curtains, split system heating/cooling, external roller shutters, and a single garage with electric roller door, this impressive property is move-in ready. Treat yourself to a tour today.
