WELCOME HOME Seriously, the outlook is amazing. And so too is the home. For starters, you've got a triple-storey Rothelwman-designed townhouse with all the bells and whistles you'd expect in a primo build. Plus, you've got uninterrupted views to the city which you can enjoy from the living area and terrace. Then there's the location. Not only are you moments from Highpoint, Hoyts Cinema and river trails, you're also in a super-quiet cul-de-sac most people don't even know exists. Did you? Didn't think so. THESE ARE YOUR NEIGHBOURS COFFEE - Tommy Jax, Be.K, Middle Child EAT - Plough Hotel, Rotti Road, Station Hotel TREAT - Mister Nice Guys Bakeshop, Happy Eats Gelato, 8bit DRINK - Seddon Wine Bar, Mr West, Hop Nation Brewing Co WELLNESS - Core Plus, Venus Day Spa, My Mama Said THE FINER POINTS | Three bedrooms (large master) with mirrored built-in robes | Stylish ensuite and main bathroom both with stone-top vanities | Kitchen with stone benchtops and island breakfast bar | AEG appliances | Mirrored splashback | Soft-close cabinetry | Large terrace with mains-connected BBQ | Split-system air conditioning (x4) | Video intercom | Crimsafe security doors | European Oak engineered timber floors | Double blinds | Square-set ceilings | Euro-style laundry facilities | Lots of natural light | Remote-control tandem double garage | Direct access to the residents' garden | FINAL WORD With views like this, no wonder they called it Horizon Drive.
